

**Transporting**  
**The Worlds of Wonders**  
One Ride at a Time

**Our goal is to be the first logistics company that comes to mind in international transportation of amusement & attractions units thru all-over-the-world.**

*Is it rare to hear that a transport company specializes in shipping of amusement & attraction units?*

**Yes, it is.**

*With a team of well-trained and experienced professionals in shipping of amusement & attraction units, **PartnerShip Logistics** takes the time to understand characteristics of your business.*

*This allows us to offer tailor-made services to meet your needs, to offer predictable service, and to tackle challenges of your business.*

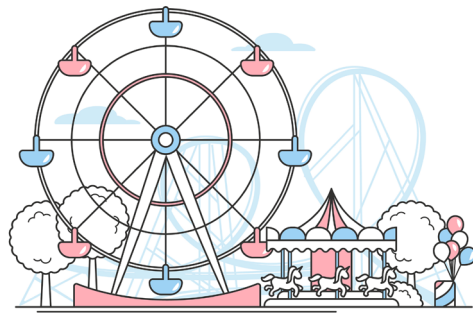

***We are at 6 continents;  
from Azerbaijan to Vietnam,  
from Russia to Saudi Arabia  
from Mexico to New Zealand  
whereever and whenever  
you need us.***

***Our customer service is  
based on understanding  
needs of each project with  
individual approach, tailor-  
made solutions and the best  
possible balance between  
price, performance and  
service.***

***Our goal is to be the first logistics  
company that comes to mind in  
international transportation of  
amusement & attractions units  
while maximizing the trust we  
provide to our customers and our  
reputation in the sector.***
